Life Touch Hospice

About Us

Choosing *Life Touch* care is making a decision
to maximize quality of life.

Life Touch Hospice has been serving
South Arkansas since 1991. With each patient
we are honored to know, we continue to
celebrate each life we touch. Our mission
remains constant, but will not be complete until
we are providing care to every person in need.

Honoring
EVERY MOMENT

Life Touch Hospice is a 501c(3) not-for-profit
agency of SHARE Foundation.

Your Options How Life Touch Can Help

Life Touch strives to create an environment which allows individuals to receive care, based on their wishes, in the setting of their choosing.

Care Settings:

- Private Residences
- Nursing Homes
- Assisted Living Facilities
- Independent Living Facilities
- Hospitals
- John R. Williamson Hospice House

Most people desire to remain in the comfort of their own home. Life Touch helps make this happen.

Because illness affects more than physical health, Life Touch Care Team members have specialized training and skills.

Nursing home staff members are experts in long-term care and Life Touch team members are experts in end-of-life care: partnering the best of their services with the best of ours for optimum care.

To help people maximize their independence, we partner with our community support and healthcare providers to help bridge the continuum of care for increasingly complex conditions.

Services provided:

- Medications related to diagnosis
- Medical equipment & supplies
- Respite care
- Individual & family support
- Inpatient care
- Pain & Symptom management
- Care Team on call 24/7
- Spiritual support, upon request

Life Touch Care Team includes:

- Patient as Care Team Leader
- Family/Caregiver
- Personal Physician
- Medical Director
- RN Case Managers
- Certified Nursing Assistants
- Social Workers
- Chaplains
- Volunteers
- Bereavement Counselors

Located in El Dorado, AR, the John R. Williamson Hospice House offers a peaceful environment where eligible patients can receive compassionate care in a home-like setting.

Every effort is made to surround the patient with respect and honor his or her desires.

Bereavement Services are offered to those who are grieving a loss. One may choose the services that would be most helpful to them.

Our care is a covered insurance benefit; however, care is available to everyone regardless of coverage.
