July 2014

lifetouch HOSPICE
honoring every moment... a service of SHARE Foundation

Life Touch Hospice

Members of the most recent Life Touch volunteer training class held in Magnolia are Mona Watson and Ernest Chiasson.

Volunteers are important members of the Life Touch care team. Hospice programs are the only health care entity required by Medicare to provide 5% volunteer match hours.

Grief Walking Group

This group has already been meeting for two months with a good turnout. Other are welcome to join. This group is open to both Life Touch families and those in the community. There will be a short 5-10 minute grief topic discussion followed by the opportunity to walk and share with others who are also going through their grief journey. Attendees are not required to walk.

This group can be joined at any time.

There is no cost or fee to attend.

Hot Dog

July is National Hot Dog Month!!

Volunteer Charting Forms

Should be turned in during the month the hours were volunteered.

Lucy Bawel, has been awarded one of the 2014 KARK Community Service Awards. These awards are given out each year on behalf of KARK, DHS Division of Community Service and Non-Profit Support, the Governor's Office and Duncan Law Firm to those individuals who have gone above and beyond in their community in volunteerism and philanthropy. The awards ceremony was held at the Governor's Mansion in Little Rock, Friday June 13th, and included a private reception with Governor and Mrs. Beebe. Lucy was nominated by El Dorado Connections because of her countless volunteer hours at Book Buddies, Hudson Nursing Home, Life Touch Hospice and many, many more.

Congratulations
